

## Congressman Charlie Wilson to Host Live Telephone Town Hall

WASHINGTON, DC – If your phone rings this Thursday night, it just might be Congressman Charlie Wilson (OH-6) asking you to participate in a Telephone Town Hall meeting for the residents of Ohio's Sixth District.

"I held one of these in August and it was very successful. Many people have called, written and emailed asking when I would hold another one," Wilson said.

Shortly before 5:50 pm on Thursday the phones in about 40,000 homes will ring and everyone who answers will be given the option of participating in the forum. If you don't want to wait for Rep. Wilson to call you, feel free to dial in yourself. The toll-free number is **1-877-269-7289**. The PIN Number for the call is **13016**.

At 5:50 pm, Rep. Wilson will get on the phone from his office in Washington, D.C. and begin taking questions from callers. During the live, hour-long meeting, callers will have the chance to talk with Congressman Wilson about issues affecting Congress and Ohio's Sixth District. Many people have questions about the health care reform bill that recently passed in the U.S. House of Representatives. Congressman Wilson will be happy to answer any questions you may have regarding health care as well as any other issues.

"I'm proud to act on behalf of the 12 counties that make up Ohio's Sixth District and eager to hear from all the residents I represent. This technology that allows me to hear from so many people and to speak directly with them is exciting. I'm looking forward to a successful meeting on Thursday," Wilson said.

Again, Wilson's office will be dialing tens of thousands of homes, but if you don't want to wait to be called, please feel free to call in.

At 5:50 pm on Thursday, November 19, 2009 call: **1-877-269-7289**
